"SOMEONE REMEMBERS THOUGH THE WORLD FORGETS"

CLASSIC BALLAD

ABOUT THIS SONG

Ever 'list, in the evening of a summer day, to the lonesome call of the skylark to its mate, and wish that some wondrous power might allow you to understand this lover's call?

Sylvester Maguire, a poet of rare talent, in writing "SOMEONE REMEMBERS *though the WORLD FORGETS*" does this for you . . . only his wonderful ballad is about that true lover we all know, whose heart is calling to its soul mate in Love's appeal.

Clair Van Lynden beautifully composed a melody for this gem, which characteristically impresses you with its Nevin like sentiment.

We beg you . . . just listen to this song once. You will then wish to hear it often.
