Chorus

When the moon is swing-ing low Through the for-ests glades we'll go While sha-dows

*p* *p-f*

grow With fair-y fire-flies a-glow When the sun has gone to rest In a val-ley in the

west I know a nest Where we can bill and cog When the flow-ers in their

beds Nod their drow-sy lit-tle heads And wise old Mis-ter Owl his

watch is keep-ing While ti-ny stars are peep-ing Up in the weep-ing wil-low You'll hear me

call-ing When the mel-low moon is swing-ing low When the moon is swing-ing

 SONG

CHORUS  
 We learn to love the flow-ers when the snows are here And win-ter on-ly makes the sum-mer  
 Delicato  
 rose more dear All the gray up in the sky is not there to make you sigh But it  
 floats a hove to make you love the sun when clouds roll by— Al- tho' each day that you're a- way will  
 be a trial 'Twill make the day when you re-tur-n to me— worth while and tho' this good bye
