I've got a pair of swing-ing doors that lead right in - to my heart;—

look in their eyes,— Fill them with lies,— And I leave them

one goes out, an - oth - er comes in, — I hope the next one that I

see is meant for me; — For then I'll take those swing - ing

doors that lead right in - to my heart, — And lock them up and

throw a - way the key. — I've got a key.
