# How I Hate to Leave You.

Words and Music by BARCLAY WALKER.

Moderato.

The piano introduction is in 4/4 time, marked Moderato. It features a melody in the right hand with triplets and a bass line in the left hand. Dynamics include piano (p), ritardando (Rit.), and fortissimo (f).

Tempo di schottische.

1. Why the Broad-way girl's not "one, two, three" with my dain-ty lit-tle Har-lem belle;  
2. While her hair's not long and cur-ly, still its a ver-y pret-ty shade of red;

Not a not-ed beau-ty, but just suits me and it seems that I suit her as  
While her teeth are not so pearl-y, she's a com-plex-ion like a peach in-

well;..... I call on her each Sun-day, and aft-er din-ner back I sneak,....  
stead,.... And when it comes to kiss-ing, she has a way that beats 'em all,.....

But I start in right on a Mon-day night, Keep a "call-ing" ev-'ry night that week.....  
And to think she's prom - ised to be mine, And Sun-day night is my last call.....

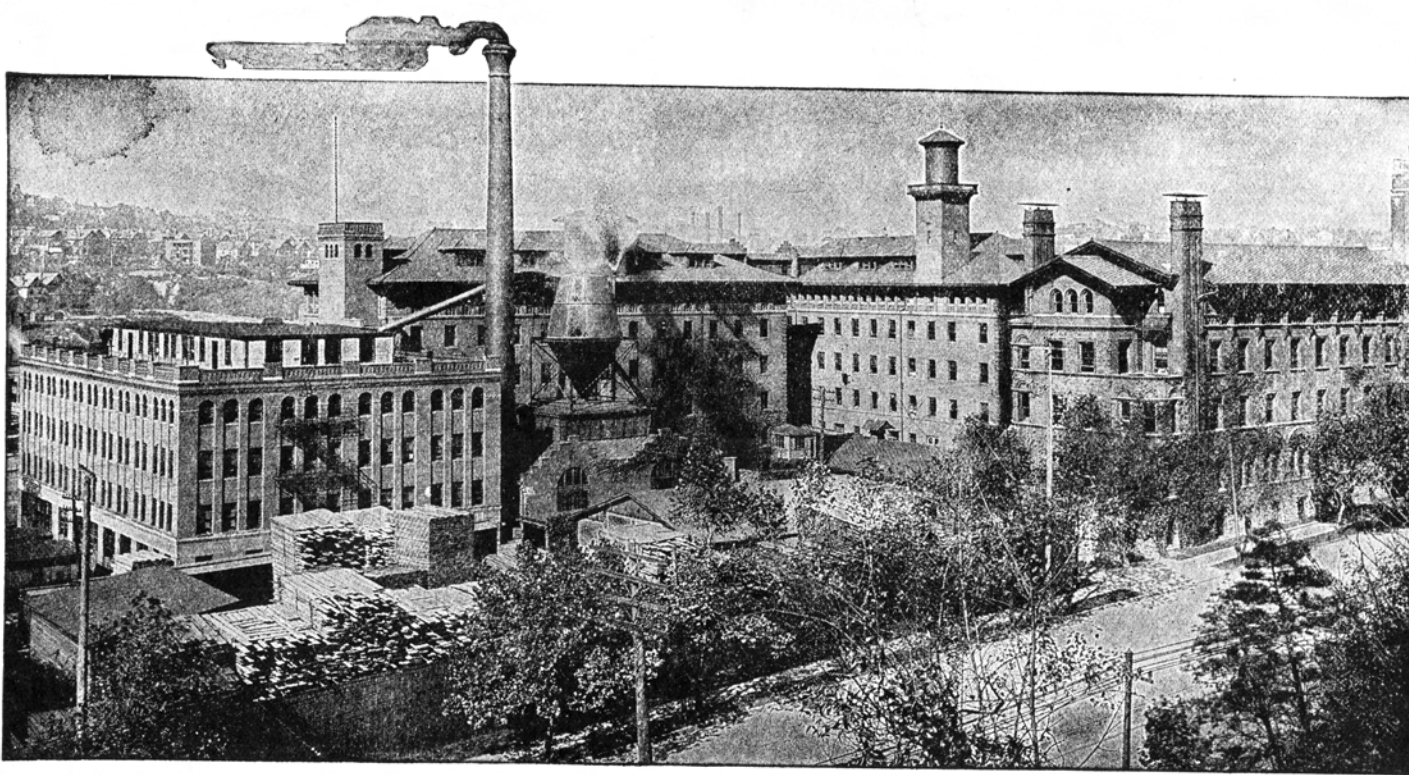

REFRAIN.

Very slow.

Oh, how I hate to leave you, hon-ey, dear, 'deed I do, ... 'Twill be so ver - y long and

lonesome, love, 'till I see you, No oth - er face, no oth - er smile, there's nothing else to

do,..... We'll take the "mar-ry cure" for cer-tain sure; O how I hate to leave you.....
