ANOTHER WILL ROSSITER "SCOOP"  
**THE \$7000.00 SONG SENSATION**  
**"MEET ME TO-NIGHT IN DREAMLAND"**

Music by LEO FRIEDMAN

Words by BETH SLATER WHITSON

Acknowledged by everybody to be the most beautiful ballad of recent years. All of the big publishers were after this song, but as usual WILL ROSSITER "got there" first and secured this song-sensation for \$7000.00 CASH.

Yes, it does seem a big price, but this song is worth many times this price. Millions of copies will be sold.

Here is the first line of the Chorus--

Try it over yourself--

CHORUS.. With Expression.

Isn't it the most "natural" song you ever heard. No effort to sing it. Each note seems to "just naturally" follow the previous one.

Here is the last line of the Chorus

A beautiful ending to a truly beautiful song.

This song can be secured wherever Music is sold but if you are unable to secure it, send 25c (either stamps or silver) to the publisher
