NE more day fades away,
Twilight comes on anew;
Fleeting hours, drooping flow'rs,
Soft winds the birds—and You!
Sighing low sweet and low,
Starlight's here, with you, dear,
Nestling so close to me!
Stars shine high above,
In this hour of love;
Here neath the starlight
I hear your voice a-whisp'ring,
Telling again that you love me!
Ev'ry little star
Shining from afar
Matches the lovelight
That in your eyes is beaming,—
My own, my Starlight Love!

April show'rs, Maytime flow'rs,
Glorious days of June;
Ev'ry day seems to say
Love shall unite us soon!
Hasten to heart ne'er to part,
Hasten that happy day!
How I long for that song,—
Love's old sweet song for aye!

In this hour of love,
