IF WINTER COMES

(Summer will come again)

Words by
REGINALD ARKELL

Music by
H. M. TENNENT

REFRAIN

If win-ter comes and all your skies are grey; Though gloom-y sha-dows fall a -
-cross your way, Don't sit and dream of the days gone by,
When life was young and hope was high. If win-ter comes with bit-ter

1st VERSE

Love is a tale that is told,
Life is a book we may read.
Hearts, as they yearn,
Are the pages we turn,
Wherever the story may lead.
Springtime may colour the page,
Summers their loveliness lend,
And Autumns unfold with their brown and their gold,
But winter must come in the end.

2nd VERSE

Swallows may fly to the south,
Leaving their nest by the well;
Winds may grow chill
On the crest of the hill,
The last rose of summer may fall.
Friends who were dear may forget,
Leaving your heart with its pain;
But love that is true will be waiting for you
When swallows fly northward again.

REFRAIN

If winter comes and all your skies are grey;
Though gloomy shadows fall across your way,
Don't sit and dream of the days gone by,
When life was young and hope was high.
If winter comes with bitter hail and snow,
And there is frost on the pane,
Then just trudge along with a smile and a song,
Summer will come again.
