## The Baby in the Bath.

If you want to see a spectacle to fill your eyes with sight  
 You ought to see our baby in the bath,  
 There are matinees each morning and performances at night  
 When we dump the baby in the bath;  
 We take his little trousers off, remove his little shoes,  
 Unroll his flannel thing um-my and all his how-d'ye-do's,  
 And then a piercing yell informs the neighbours of the news  
 That we've got the baby in the bath!

Oh, the baby in the bath!

Oh, the baby in the bath!

When his little face we lather  
 Mother says he's just like father!  
 Oh, the baby in the bath!

He is <sup>so</sup> fond of sponge-cake so the sponge we ~~always~~ let him chew,  
 Which gratifies the baby in the bath;  
 While for cake of course a cake of soap will very nicely do—  
 It's so good for baby in the bath!  
 He's very keen on fruit and so we often give him Pear's,  
 While ~~Pearse~~ <sup>shows</sup> his int'rest in ~~political~~ <sup>affairs</sup>,  
 And one day little sister gave him Maypole unawares,  
 And it dyed the baby in the bath!

Oh, the baby in the bath!

Oh, the baby in the bath!

Do you know this fact pathetic?  
 Soap's a very fine emetic!  
 Oh, the baby in the bath!

Dear papa is so domestic, mother said to him one night  
 "John, I wish *you'd* put the baby in the bath;"  
 He said "Certainly, of course I will," but struggle as he might  
 He could *not* get baby in the bath.  
 The baby fought like anything, but pa would not be floored,  
 'Twas only by jiu-jitsu that he ultimately scored;  
 Then baby grabbed him by the ears and pulled him overboard,  
 And he joined the baby in the bath!

~~Oh, the baby in the bath!~~

~~Oh, the baby in the bath!~~

~~Father, though he cried for quarter,  
 For the first time tasted water!  
 Oh, the baby in the bath!~~

Father tried to get his footing, but he slithered on the soap,  
 Which seemed to please the baby in the bath,  
 For he laughed and crowed, and ma said, "Pa, you won't get out, I hope?"  
 "Stop and play with baby in the bath."  
 But pa was getting desperate, he slipped and slopped around,  
 It seemed as though he couldn't rise, he called out "I'll be drowned!"  
 He ~~found~~ <sup>found</sup> the waste-plug, pulled it up, we heard a gurgling sound,  
 And ~~exit~~ <sup>exit</sup> baby from the bath!

Oh, the baby in the bath!

Oh, the baby in the bath!

To the ~~plumber~~ <sup>plumber</sup> sent we warning;  
 Found ~~him~~ <sup>him</sup> in the sink next morning!  
 Oh, the baby in the bath!
