# LITTLE PUFF OF SMOKE GOOD-NIGHT

Here is a little song we know will please you. It has that plaintive touch in both words and melody that instantly appeals to ones sympathies and immediately wins its way into the hearts of its hearers.

Easy to sing; yet having that peculiar quality which makes it a favorite with the World's Best Singers, many of whom are using it regularly in their repertoires.

Published in three keys to suit every voice:—Key of F, for low voice, Key A-flat, for medium voice, and Key of C, for high voice. Price 30c the copy. Also published in Octavo form for male quartette at 15c the copy.
